JOE RODRIGUES

Two Prize-winning
Fish Recipes

The two following recipes are for fish dishes prepared by Mrs. C. B. Hofgaard for the recent Territorial Fair. They took first and second prizes respectively.

FISH JELLY

14 ounces of raw fish, 1 stalk Hawaiian celery, 1 big leaf parsley, 42 corns whole pepper, 2 teaspoons salt, 2 cups water, 2 1/2 teaspoons Knox gelatine, 4 ounces alligator pear, 5 ounces boiled fresh peas, 2 ounces very fine cut boiled carrots and 1 ounce boiled carrot cut in 1/4 stars. A little parsley for decoration. 2 hard boiled whites of eggs, chopped very fine and served with 6 table-spoons of mayonnaise.

DIRECTIONS—Boil slowly the 14 ounces of raw fish with the celery, parsley, whole pepper, salt and water, until fish is well cooked and then strain. Add enough water (boiling) to the soup to make 2 cups. Then take 1/2 cup of this soup when cooled off and soak 2 1/2 even teaspoons of gelatine. Pick the fish with a fork in small pieces and on separate plates put the alligator pear, finely cut, the boiled fresh peas, fine sq. cut carrot using the carrot cut into stars for decoration, and a little parsley with the 2 hard boiled whites of the eggs chopped very fine.

Let the fish soup come to a boil, then draw aside the pot on the stove and add the soaked gelatine, but do not boil this, when the gelatine is dissolved in the soup pour this into the fish mold so that all sides are touched, put soup back in pot—then in the fish mold put the carrot stars, with parsley in between, add one long row of boiled peas in the middle and cover it all with the hard boiled whites of eggs—then add layers of fish, alligator pear, carrot and peas and over all pour the rest of the soup. When cool put on ice. Make the day before it is to be used. This serves six persons. Serve with six spoons of mayonnaise.

Note—If you haven't alligator pear use fresh boiled lima beans or white wax beans or asparagus tips and tin peas, (drain off the water.)

FISH PUDDING

3/4 pounds of scraped raw fish, 1 1/2 ounce suet, 3 1/2 teaspoons salt, 1/2 tsp. ground mace, 3/4 tsp. ground ginger, 1 1/2 tsp. corn starch, 1 1/4 cups unsweetened tinned milk, (1 1/2 milk and 1/2 water), 1 egg, well beaten, 1 tbs. corn meal, 1 tsp. crisco. Steam 1 hour and 40 minutes. Serve to 4 people.

Gravy for FISH PUDDING

1 cup fish soup, 1 stalk Hawaiian celery, 1 leaf parsley, 10 corns whole pepper, 1 tsp. salt, 1 tbs. rice flour, 1 well beaten yolk of egg, 1 tbs. capers.

Directions:

Scrape fish from tail up, take skin of the suet and cut suet very fine. Grind fish once alone then add the suet and grind 4 times together, scrape carefully out all suet and fish from grinder and put it in a black iron pot, then pound the substance adding gradually the milk—a very little at a time, also the salt, mace and ginger. Scrape from sides all the time, so suet and fish get well mixed, when all the milk is used up, add the corn starch and pound it in well, then add at last a well beaten egg. Crisco your pudding mold, a small hard tin can be used, then put in 1 tbs. corn meal, put on cover and shake it good all round, pour in the fish substance, close the tin and steam for one hour and 40 minutes. Serve hot.

All kinds of food, especially wheat, meats, fats, and sugar should be economically used.

Fresh milk and milk in evaporated and condensed form and cheese may be liberally used.
